**NOMAD MUST HAVES RENEW MESSENGER** BGR400  
Plastic to purpose. This Messenger bag is made from 16 water bottles of 500ml.

## Out & about

Eco options for every part of your day!

**BAMBOO X COFFEE** EC147  
Journal covers are made from 15% bamboo fibers for the black and natural colored journals and 15% coffee grounds for the brown colored journals.

**CRUNCH TIME** DW300  
More than 17 million barrels of oil are required to produce enough plastic water bottles to meet America's annual demand for bottled water.
